
Junior User Experience Designer

ABOUT

"I am a recent UX design graduate seeking my first professional opportunity. Having a background in Graphic Design and Illustration, I want to create products that not only look right, but also do work perfectly"

PERSONAL WEBSITE

ACHIVEMENTS

Second place in London Climathon 2018

EXPERIENCE

Freelance Graphic Designer 2015-present

I have worked with independent clients within the entertainment and hospitality industry creating digital and print assets to promote their businesses. Some of my latest clients include Lost Boys Pizza and Hool.

Freelance Illustrator 2013-present

In my work as an Illustrator I create murals and designs for several bars and offices around London as The Trampery at Republic or Common Ground Cafe. I've also worked with bands such as Submotion Orchestra to design album covers, posters and merchandise. Occasionally I produce bespoke tattoo designs.
